Rustic Barnwood creates a naturally beautiful, reclaimed wood look - without the hassles of finding old wood panels. Each solid wood plank is rough sawn, wire-brushed and hand finished to create a rustic barn look.

Our rustic boards are hand selected and prefinished. No need to prep walls, struggle with messy glues or peel and stick tape.

Rustic Barnwood is kiln-dried, sustainable Cypress wood - handcrafted in five widths, each width having a slight variation in thickness, adding depth and texture for a dramatic, reclaimed wood look. Each plank is tongue & grooved and end matched - making installation simple and easy.

Great for accent walls, ceilings, exterior covered porches, barn doors, headboards, columns, kitchen backsplash and more.
