

RUSTIC SEASIDE

By SYNERGY WOOD

THE REINVENTION OF SHIPLAP.

Synergy Wood is the leading expert in prefinished solid wood for ceilings and walls.

Our skilled Artisans hand select each board to showcase Nature's unique beauty, color, knots and grain patterns. Our premium products bring natural beauty, exceptional durability and unsurpassed quality to any wall or ceiling.

- ✓ 100% Real Solid Cypress Wood
- ✓ Rough Sawn for a Natural Rustic Look
- ✓ Available in 2 Coastal Inspired Colors
- ✓ Water-based, Zero VOC Finish
- ✓ Tongue and Groove, End-Matched
- ✓ Easy to Install, Low Waste
- ✓ Proudly Made in America

Rustic Seaside wood boards blend coastal charm with weathered shiplap style adding texture and vintage character for a chic look and feel - perfect for any interior project.

Our rustic boards are hand selected and prefinished. No need to prep walls, struggle with messy glues or peel and stick tape.

Using only kiln dried, sustainable Cypress wood, Rustic Seaside planks are rough sawn and hand finished to create a classic beach house cottage look. Each plank is tongue & grooved, nickel gapped and end matched - making installation simple and easy.

Each box covers 16.5 sq ft. Great for accent walls, dramatic ceilings, barn doors, headboards, columns, kitchen backsplash and more.
