

RUSTIC SEASIDE

By SYNERGY WOOD

THE REINVENTION OF SHIPLAP.

Synergy Wood is the leading expert in prefinished solid wood for ceilings and walls.

Our skilled Artisans hand select each board to showcase Nature's unique beauty, color, knots and grain patterns. Our premium products bring natural beauty, exceptional durability and unsurpassed quality to any wall or ceiling.

- ✓ 100% Real Solid Southern Pine Wood
- ✓ Rough Sawn for a Natural Rustic Look
- ✓ Available in 3 Coastal Inspired Colors
- ✓ Water-based, Zero VOC Finish
- ✓ Tongue and Groove, End-Matched
- ✓ Easy to Install, Low Waste
- ✓ Proudly Made in America

Rustic Seaside wood boards blend coastal charm with shiplap style adding texture and vintage character for a chic look and feel.

Hand selected, kiln dried Southern Pine boards are rough sawn, painted, glazed and hand scraped to create a rustic beach house cottage look.

Each handcrafted and prefinished plank is nickel gap tongue & grooved with end matching - making installation simple and easy.

Each box covers 16.5 sq ft. Great for accent walls, ceilings, exterior covered porches, barn doors, headboards and more.
